### What's New at Boulders Inn - Lake View

Work is in progress on construction of the restaurant. The 4,800 square foot restaurant will face the lake. One side will be a bar divided by a wall with a 2-sided fireplace and restaurant seating on the other. Patio seating will also be available. We do not have a name and need your help! The "Name that Restaurant" Contest is underway. Please send your suggestion to [info@bouldersinnlakeview.com](mailto:info@bouldersinnlakeview.com) before Jan. 1<sup>st</sup>. Winner will receive dinner & hotel package. Need a gift? We are selling gift certificates.
