What's New at Boulders Lake View

meeting rooms for smaller groups and a combined space that can accommodate up to 400 guests. The restaurant is set to open in Spring 2011. Investment opportunities are still available.

Boulders Inn & Suites is also happy to share news of another new addition to the hotel property. Construction is beginning for a new shed with dog kennels for our hunting guests. We are also making arrangements for an evening social hour where groups will be able to eat, drink and socialize with one another about their daily hunts.

We are pleased to announce that ground work is underway for a restaurant on our property, which will be Phase I of our construction project. The convention center will be added as Phase II and able to welcome all sizes of events, with

We have snowmobile trails right outside our door that are groomed by Sac County Sno Lovers. Call us to plan your winter getaway today!

Winter Season Preview

Now that it is officially fall, winter is right around the corner and we are excited about some of the upcoming winter events in our area.

The 1st annual Lake View Snowmobile Drag Races will be held at Lake Arrowhead on Saturday, January 22nd. Our neighbor, Blackhawk Marine, will be sponsoring this event and it is a great addition to our winter event calendar. This event will be followed by a Poker Run on Sunday.

The 22nd annual Black Hawk Men's Club Arctic Open is scheduled for Saturday, February 5th. This best ball golf tournament is played on the frozen waters of Black Hawk Lake. Prizes are awarded and lunch is included at this one-of-a-kind winter event.

The historic Log Cabin will also be hosting a kids sledding party on Saturday, February 5th.
